

Bolton

Together

Collaborative working to improve outcomes for children, young people and families in Bolton

CURRENT PROGRAMMES

- 27 diverse members with different strengths and offers
- Co-ordinating one point of access to services commissioned via Bolton Together and triaging and allocating to the best provider
- Delivering one to one support and group work to improve emotional health and well being.
- Supporting the parents/carers, alongside the child/young person

- The IThrive Referral Hub
- IThrive Services for 2 - 19 years (25 with SEND)
- Family Support for parents of 0-2 years
- Parent Peer support
- Holiday Activities and Food Programme
- 0-19 Engagement Programme

OUR PRIORITIES

- Child and youth voice
- Developing capacity of the voluntary sector
- Facilitating collaboration
- Communication and engagement with members and stakeholders
- Facilitating development of high quality services

THE DIFFERENCE WE HAVE MADE APRIL 2021 - MARCH 22

- **1,980** CYP supported through the IThrive programme 2 - 19 years
- **715** referrals received into the IThrive Hub
- **86%** demonstrating an improvement in outcome measure scores
- **673** parents/carers supported

FUTURE OPPORTUNITIES

Work with us to:

- Co-design and deliver services with a strength based approach
- Distribute funding to the sector in a transparent and meaningful way
- Have one point of contract management and quality assurance with a joint outcome framework
- Enable a flexible and responsive approach with the focus on the child rather than the service
